St. Lucia's Windjammer Landing Villa Beach Resort is offering *Modern Bride* readers a sweet deal—a free couples massage and in-room or restaurant meal, on top of a rollback to 2008 prices, until December 2009 (doubles from \$200). Plus you'll get half of your room rate back in "Sun Dollars," which are resort credits that can be used for meals, room upgrades, spa treatments and excursions. To book, call 800/958-7376 and mention *Modern Bride*.
