

HALF MOON CREATES MILLION DOLLAR WEDDING EXPERIENCE

Half Moon, Jamaica's premier luxury resort, has introduced the ultimate in tropical wedding fantasies with its *Million Dollar Wedding* that allows the happy couple to create a customised experience on the private 400-acre estate.

Half Moon has long been the playground of the world's jet set and this new package gives couples exclusive use of the resort that has everything including two miles of beaches, over 50 swimming pools, 13 tennis courts, a championship golf course, equestrian centre, dolphin lagoon and award winning spa.

The happy couple can create the wedding of their dreams choosing from a host of locations for the ceremony including a lily pond gazebo, the historic Sugar Mill water wheel, in the lush gardens or on the white sand beach.

The ultimate wedding can be topped off with the ultimate in wedding cakes – an elaborate seven-tier affair decorated in gold leaf and Swarovski crystals. The resort's team of award-winning chefs can prepare a gastronomic nine-course menu using the finest ingredients from around the world, paired with exotic Caribbean seafood, fruit and vegetables and accompanied by the world's finest vintage wines.

The Half Moon *Million Dollar Wedding* culminates in an exciting fireworks show and an exclusive reggae concert with renowned international artists.

With a choice of 398 rooms, the bride and groom can take plenty of family and friends with them. Wedding guests can be given the full VIP treatment with a champagne transfer from the nearby Montego Bay airport, luxury accommodation in oceanfront suites and villas complete with champagne on ice, chocolate dipped fruits and petit fours in each room as a welcome. The rooms will also have his-and-hers batik robes, indigenous straw slippers, a custom-blended Bohiti body care line of lotion, bath gel and salts, aromatherapy oil, invigorating coffee candle and sunscreen. Guests will also receive vouchers for decadent spa treatments and private yoga and pilates sessions at Fern Tree, The Spa at Half Moon.

To ensure fun for everyone custom made itineraries can include anything from a private yacht to sail to a secluded beach picnic, helicopter tours of the coast or a bride versus groom polo match in Half Moon's polo arena to a golf tournament, tennis challenge or fascinating swims with the resident dolphin.

To soothe wedding-day jitters, the expert team at Fern Tree spa will provide rejuvenating massages, calming reflexology, aromatherapy and Island Stone manicures and pedicures that will have the entire bridal party glowing for the sunset nuptials.

While the ladies relax, the men can de-stress by enjoying unlimited rounds of golf at the par 72 championship golf course, followed by revitalising Tired Leg massages at the spa.
