

## Letter from the Chairman, CTO Scholarship Foundation

Dear Friends and Benefactors:

The CTO Scholarship Foundation is grateful all who have supported it over the past many years, I humbly extend sincere thanks to you for giving of your time, talent and resources to make a difference in the lives of Caribbean nationals, and ultimately to the development of the Region. The result of your generosity may be viewed in our student's testimonials on this site.

The Foundation Board feels that it has an inherent responsibility to set an example and provide support to develop the Caribbean tourism industry and is working hard to ensure that we provide scholarships to as many students as possible to build capacity in the sector. We believe that we also have an obligation to continue to provide opportunities for those who, without our assistance, would not achieve their dream of a career in the tourism industry – many, young, talented and ambitious individuals whose accomplishments continue to make us proud.

Many of you are aware of the financial challenges we face, but we push forward with optimism that your generosity will provide the resources we need to meet these challenges. We ask you to be faithful to the cause. Continue to read the success stories of our students and motivate your friends and colleagues to join you donating by clicking the donate link. If you are a current donor and you are considering increasing your contribution, we welcome your generosity and support. Your efforts will position us to do more.

On behalf of our dedicated Board, past, current and future scholars, and the people of the Caribbean, we extend our heartfelt thanks.

We cannot do it without your support!

With gratitude,

Jacqueline Johnson  
Chairman.
