

Welcome to
**TURKS
& CAICOS**
Islands™
Beautiful by Nature

For Your Health and Safety

The health and safety of our travellers and residents is important to us. While enjoying our beautiful beaches and islands, we encourage you to wear a face covering or mask. Practice social distancing in public, unless travelling with family or acquaintances from the same household.

In Case of Emergencies

In the event of a health emergency, the Turks and Caicos Islands has two hospitals – The Cheshire Hall Medical Centre in Providenciales and the Cockburn Town Medical Centre in Grand Turk. For more information please visit www.tcihospital.tc.

Prevent the Spread of COVID 19

If you or someone in your party are experiencing COVID-19 symptoms while on island, please contact your accommodation health provider in the first instance. For more information about COVID-19, visit the TCI website below, or contact our hotline:

Coronavirus Hotline
(649) 333-0911 OR (649) 232-9444

TURKS AND CAICOS ISLANDS RETURNING RESIDENTS TRAVEL ENTRY REQUIREMENTS

PRE-ENTRY REQUIREMENTS FOR RETURNING TCI RESIDENTS

Returning TCI residents must obtain TCI Assured Travel Authorization certification. Residents will be required to produce the following:

- 1 A negative COVID-19 PCR test result from an accredited laboratory. The test must be taken no more than five (5) days prior to travel to the Turks and Caicos Islands.
- 2 Complete a health screening questionnaire and Travel Authorization Form.
- 3 All persons should certify that they have read and accept the privacy policy document.

All documents must be uploaded to the TCI Assured portal which is available on the Tourist Board's website - www.turksandcaicostourism.com. A TCI Assured Travel Authorization will be issued granting approval to travel.

Returning residents who do not produce the TCI Assured Authorization will be subject to a fine of up to \$3000.00 from the Director of Immigration.

GUIDELINES FOR RETURNING TO THE TCI

- Provide a printed copy of the TCI Assured Travel Authorization and original PCR test results.
- Must show proof of TCI National Health Insurance Plan or private medical health insurance that includes coverage for COVID-19 medical costs.
- Persons suspected of having been exposed to or have symptoms of, or tested positive for COVID-19 will be placed under quarantine for a period of 14 days. Quarantine will be lifted if the individual is found to have a negative PCR COVID-19 test result, or they are approved for medical repatriation. Such persons shall be monitored by a health officer for COVID-19 during such period.
- A person who does not comply with the requirements of the CMO can be fined up to \$3000.00.

At the airport and in public remember to always:

Wear a face mask

Wash and sanitize hands

Social distance

For more information on Turks and Caicos travel requirements, visit the Tourist Board's official website at www.turksandcaicostourism.com

TURKS AND CAICOS ISLANDS TRAVEL ENTRY REQUIREMENTS

PRE-TRAVEL REQUIREMENTS FOR THE TURKS AND CAICOS ISLANDS

- 1 Negative COVID-19 PCR test result. The test must have been taken no more than 5 days prior to arrival.
- 2 Medical insurance which covers Medevac.
- 3 Complete a health screening questionnaire.
- 4 All persons should certify that they have read the privacy policy document.

Proof of all of the aforementioned should be uploaded to the TCI Assured Portal which will be available on the Tourist Board's website - www.turksandcaicostourism.com.

Travelers may begin the application process 72 hours prior to arrival. Once uploaded, the documents will be verified and a TCI Assured sticker will be issued to the traveler which grants approval to travel.
