May Hinds Consulting Inc., is a Barbados-based regional consulting business specializing in organizational development.

Our Mission: Is to assist businesses in optimizing their performance through developing their human resources and management systems to deliver high quality services.

The firm has executed several and varied technical assistance projects in 19 countries in the Caribbean region on behalf of Regional and International Funding Agencies such as the Organization of American States (OAS), Caribbean Development Bank (CDB), the Inter-American Development Bank (IADB), Canadian International Development Agency (CIDA) /Caribbean Human Resource Development Program for Economic Competitiveness (CPEC) in the Commonwealth Caribbean.

These projects were aimed at assisting the tourism, hospitality and other sectors. The projects were executed in collaboration with international consulting firms, regional governments (ministries and statutory boards) as well as the private sector.
